**I am God
God of All
All that Is, Was, and Will Ever Be
All is of God
Tell All
I am God**

All my life I wondered who and what God Is
As I grew up I read that God is This or God is That
I was told God is This and God is That
As I read, listened, and looked I Found this is not God
So I questioned if God even Exists

I asked if God Exists

God Appeared
And
Spoke these Words

All is of God
All will Obey God's Laws
All will Respect All
Live as One

These are God's Laws Obey Them

After God spoke these words I was filled with:

The Word of God

Tell All

There is only God

God of All

All that Is, Was, and Will Ever Be

And

All is of God

All is of God

All will Live by God's Word

This is God's Word Live It

All is of God

All will Obey God's Laws

These are God's Laws Obey Them

All is of God

All will Obey God's Laws

All will affirm God

All will affirm All is of God

All will affirm God Always

All will Obey these Laws with Being
